Window Fee Increase National

Dear valued customer,

We've been notified by St. George that as we continue to see ongoing unprecedented cost increases in all aspects of business, they will be increasing Facility Window Fee from \$55 to \$90 per house bill at all STG company owned locations effective March 7th, 2022. **This increase will apply to all cargo picked up on March 7th and forward.**

As mentioned above, anything made available at STG CFS March 7th, 2022 or after will be subject to these increases. Facility Window Fee will increase to \$90 on all house bills ending at a STG Facility (ATL, CHI, CHS, DAL, HOU, LAX, NYC, PDX, OAK, SEA, SAV).

This CFS fee is applicable to ALL shipments including DAP. This is a CFS fee so it cannot be waived/reduced. There are no exceptions to this fee and it will be required to be paid on EVERY STG Facility ending HBL.

Please be advised that any NYC / NJ terminating HBL arriving at CODA Logistics New York CFS will also be subject to increase from \$55 to \$90 on Facility Fee.

ECU Worldwide appreciates your continued support. If you have any questions related to this notice, please contact your ECU Worldwide sales representative.

Sincerely,
