

CUSTOMER ADVISORY

LCL IMPORT ADVISORY - Posted Date: December 1st, 2023

Dear Valued Customer,

Due to the continuing rise in fuel costs, ECU Worldwide USA is forced to implement the Emission Trading System Surcharge (ETS). This additional charge is in response to the escalating expenses associated with purchasing biofuel, sustainability certificates, and supporting various sustainability projects. Our commitment to environmental responsibility and adherence to regulatory requirements make this step essential.

From the Identified Origins Below to Ports and Points Served via Below Destinations:

Origin	Destination	Charge	Total Amount	Effective Date
Belgium & Italy	All Destinations	ETS	\$3 w/m Min \$3	January 1 st 2024
Europe	All Destinations	ETS	\$4 w/m Min \$4	January 1 st 2024
UK	All Destinations	ETS	\$6 per HBL	January 1 st 2024

We appreciate your continued support and understanding of these increases in order for us to keep Providing you reliable international transportation services.
Should there be any further reduction or mitigation of the ETS Fuel Surcharge, we will inform accordingly.

Regards,
Team ECU Worldwide
