## **NEWS: CHANGE OF WAREHOUSE IN HAMBURG AND BREMEN**

Dear Valued Customers,

since October 2020 our LCL handling activities are split between our partners DCP (export side) and Prah & Barsoe (import side). With the focus on further growth, we decided to create new capacities. The warehouse change at our two locations in Hamburg and Bremen is planned as follows:

### **As of 22.05.2023:**

**EXPORT Hamburg:** at Contex Packing GmbH  
**EXPORT Bremen:** at CPC–Cargo Center GmbH.

### **As of 19.06.2023:**

**Import Hamburg:** at Contex Packing GmbH  
**Import Bremen:** at CPC–Cargo Center GmbH.

Contex Packing GmbH  
Vollhöfner Weiden 15  
D-21129 Hamburg

CPC – Cargo Center GmbH  
Ludwig-Erhard-Straße 3  
D-28197 Bremen

Both warehouses have the space capacity to support us with more extensive business. Our sales team will be happy to explain an overview of the additional capacities and services in personal meetings in the coming weeks.

The booking procedures and the receipt of goods will be supported by the same form of technology and IT integration.

If you have any further questions, please feel free to contact us at any time.

ECU WORLDWIDE (Germany) GmbH
