Situation in Israel

Dear Valued Customer,

At October 7th, 2023 morning (06:30), a significant terrorist attack by the Hamas organization started.

All sea ports, Ashdod, Haifa and Eilat are operating as usual.
Currently there is no effect on your and our operation, we continue as usual.
Shipping lines discharge the vessel according to the situation of the ports.

Tel Aviv Airport is open as normal, some flights of foreign airline companies had been Suspended.
Rails and public transport are working as usual, same as our full economy (banks, Stock exchange...etc).

In case you have any questions please let us know.
We will inform you about any further changes asap.
