

## NOTICE

Dear Customers,

Our operations in Japan are behind schedule due to last week's Typhoon. Airport and road operations have been effected due to water logging issues and unavailability of trucks. Kindly cooperate and we will keep you updated on your cargo as our operations resume. For any queries, please write to [Kazuto.Arita@ecuworldwide.com](mailto:Kazuto.Arita@ecuworldwide.com).

Regards,  
ECU Customer Care
