- **CHINA Booking Flower Situation:** Normal booking flow. Have arranged operation & documentation employees are on duty. Almost all Export/Import operations resumed.
- **HK Market situation:** Similar to South China, where the major cargo source are yet to resume. While the import business / inquiry is indeed picking up, especially on those medical related cargo.
- **CHINA Mainland Market situation:** Most of the factories/ Global/ Non-GA, Co-loaders use shift work & taking different working hour measure, most of them will extend to resume operation after March 2nd. We're proactively monitoring the market, competitors and communicating with overseas and our clients.
