● **CHINA Booking Flower Situation:** Normal booking flow. Export/Import operations resumed normally.

● **HK Market situation:** Similar to South China, where the major cargo source are yet to resume. While the import business / inquiry is indeed picking up, especially on those medical related cargo.

● **CHINA Mainland Market situation:** Most of South China's factories/ Global/ Non-GA, Co-loaders will resume full operation after March 2nd. For North China's companies are still limited resume by government till now. We're proactively monitoring the market, competitors and communicating with overseas and our clients.
