

# XLERATE YOUR CARGO TO NEWARK AS WELL NOW !

***We've added Newark, NJ!***

ECU Worldwide adds Newark to it's XLERATE service from Shanghai, in addition to Los Angeles ! XLERATE and IPI service to Los Angeles and Newark and further to 9 US Inland CFS Locations.

With Speed, Reliability and Schedule Integrity in mind, ECU Worldwide has combined industry leaders in Ocean and Domestic Line Haul to form a unique express LCL service from Shanghai to Inland USA CFS locations all serviced via Los Angeles:

- Predictable, Fast and Reliable transit times you can trust to Los Angeles
- Fastest transit time in the market with Matson CLX service Shanghai to Los Angeles / Newark CY/CY-10 /16 Days
- Ideal Sunday Vessel arrival to Los Angeles with early Monday morning container availability
- Monday container devanning at our Los Angeles CFS with Monday afternoon cargo availability
- In-Bond Express Line Haul CFS to CFS service to inland USA locations departs Monday evening
- No Los Angeles US Customs Clearance required, ability to clear your shipment at final destination CFS
- Fixed Day Inland CFS arrival schedule to 9 locations
- Simplified per kilo rate that is all-inclusive from Origin Port to pick up from final destination U.S. CFS

ECU XLERATE offers an express CFS to CFS service with a Fixed Day Arrival which allows you to control your final mile delivery while offering your customers an expedited and reliable LCL ocean service with a simplified rate format.
